Since then her passion for travel has evolved and her favourite destinations include Hawaii, New York, London, Denmark and Singapore. Belinda specialises in corporate and group travel, but she has also built a strong rapport with many loyal and repeat leisure clients, some of whom have followed her since her career first began.

HELLO NATALIE

Franchise owner since 2004 and having worked in the industry for nearly 30 years, Natalie has travel in her blood. Being a small business owner, Natalie understands the day to day pressures and how everyone is 'time poor'. Being well travelled and business minded, her expertise is valuable in making your travel experience easy and enjoyable.

HELLO DIMITY

Dimity "loves making people's travel dreams come true". She began her career back in the 70's, working with NAB Travel and then American Express. She takes great pride in the number of repeat clients, many of whom have followed her over her entire career. Her travel experiences include Africa - for the wildlife, Hawaii - to do as little or as much as you want and Canada & Alaska - for the skiing & exquisite scenery.

HELLO ANDREW

In 2017 Andrew will celebrate 31 years in the travel industry. After an extensive and varied career with Qantas, Andrew is our airline and airfare specialist. Having also worked with Air Calin and Garuda Indonesia, he has wide ranging experience in the Asia / Pacific region. His favourite destinations include New York, Barcelona, India and Peru.
