#### **Warm Up Areas.**

The track and jumps warm up area will be on the ground directly behind the stadium grandstand. The road between will be closed for vehicle traffic during competition to reduce risk of injury. Practise hurdles will be made available in the warm up area on the day of these events.

A separate warm up area will be established for throwing events and this area does have a cage and throwing circle. Any athlete using the throwing warm up area must be accompanied and supervised by an adult manager or parent.

#### **Parking:**

Logan Park Drive will be closed to through traffic for safety reasons as athletes will be crossing the road to/from the warm up areas and call tents.

Free parking will be made available by the DCC on the playing fields behind the tennis Courts. The entrance and exit to this parking area will be on Harbour Terrace.

Alternative parking is available on Butts Road but it is strongly recommended that you do not park on the grass verges, as this could result in a parking infringement notice.

#### **Rubbish/Vandalism:**

We have asked the DCC to provide recycling bins and would greatly appreciate your assistance in reducing the stadium cleaning by using these and doing a tidy up each day in the area you use. We are proud of our grounds and appreciate the facilities the Dunedin City Council provides. With the tree lined boundary now providing excellent shelter we do not want the trees damaged and ask parents and clubs to prevent your children from playing in these and in particular breaking off branches.

Any acts of vandalism to the facilities will be treated most seriously and the offender will be responsible for all costs incurred in repairing the damage caused.

We also ask that there no balls, skate boards or scooters are used inside the ground

#### **Souvenirs:**

Presales of the shirts are available online at...

<https://athleticsotago.shopdesq.com/colgategamesouth>

No reorders are available so when numbers/sizes sell out that is it! It is therefore recommended you get in early to ensure you don't miss out.

Other souvenirs will also be available.

#### **Shop:**

A food outlet and BBQ will be available inside the ground. There will also be a coffee cart (or two) in the ground and an ice cream truck

#### **Photography:**

Photography Sports photographer Scott Kilmore and his team will be at the ground taking action photos and presentation dais photos. These are available for purchase at the ground only. [Online purchase TBC]

We are looking forward to welcoming you to Dunedin and we hope that your visit to our City and our Games will be a happy and successful one.
