Metro 2 Men Begin with a Win

The Metro 2 Men had the perfect start to the season with a 3-1 win over Adelaide on their home turf. The score flattered Adelaide as our men should have one by five such was their dominance, but their shots were directed straight at the keeper.

After struggling to get numbers for their first game, the Metro 5 Women managed to get a team on the park with help from juniors; Lily Perkins, Grace Fraser and Racheal Kean which proved invaluable. A massive shout out goes to Robbie Edwards who donned the goalie gear and did an amazing job preventing many goals, she threw herself into the position so to speak. They lost 2-1 but had many scoring opportunities, and with time this will improve. A big thank you to Margy and Viv who held down the bar on the opening night at the club.

Four new players joined the Masters Women (dual registered with other clubs) and despite having sore bodies from the first games on the weekend, the team put in a good performance. There was some good teamwork and talk present which is promising given it was the first game. The women were bit rusty from a long break but has a great time being back on the pitch!

The PLW had a five goal loss to Forestville on the weekend and it was a hard result to take for coach Greg Abbott. They were on the back foot early and found themselves 0-2 down as Forestville took full advantage of a skill error and a penalty stroke.

From there they started to get control of the ball and with some hard running from Caitlin, Georgia and Laura, they were able to put Forestville under pressure. They started to earn repeat circle entries and short corners but were not able to get on the scoreboard as their execution at the crunch times was not up to standard. With the girls starting to create opportunities, they were exposed on the counterattack and at half time we were 0-3 down. With only one reserve it was a juggling act to try and give players a short break. To the girl's credit, they fought hard but there was a similar pattern emerging where they controlled a large portion of the game but couldn't get any reward on the scoreboard.

Metro 2 Men Begin with a Win cont.

The last two goals against were in the last quarter where every mistake they made mounted the pressure on their defence and Forestville were good enough to take their chances. Some individual performances to note; Jordan Ganley, in her second game, after half time slotted in seamlessly to the midfield role, and helped the team stay in the contest. Pria playing as a 20 minute reserve was outstanding up front. Everyone worked hard, but they just need take their opportunities, and believe in themselves that they have the ability to win.
