**Highlights of the Round**

The major highlight of the round was the U9 STARS WINNING THE PENNANT IN THEIR DIVISION AT THE LIGHTNING CARNIVAL, MAZEL-TOV TO THE TEAM.

The other highlights were of the 14 matches played for the U10-U17 teams (as the U14 Comets had a bye), 5 teams recorded wins and all would have enjoyed singing the AJAX song after the match.

The round saw the U10 Jets win their 5th consecutive win.

The winning teams were:

- U10 Comets by 6 points.
- U10 Jets by 49 points (5th consecutive win).
- U12 Comets by 10 points.
- U12 Stars by 45 points.
- U15 Jets by 11 points.

**Highest Individual Goal-Kicker**

The “golden boot” for Round 13 goes to U9 Comets player Remy Spicer who kicked 6 majors in their Lightning Carnival.

Harry Sheezel (U9 Comets) & Corey Wasbutzki (U9 Jets) were close behind kicking 5 goals each in their respective Lightning Carnival matches.

Well done to all 3 boys.
Milestones

This round the following boys all registered personal milestones.

❖ **Jacob Shostak (U10 Comets) – 50 games**
  Jacob celebrated his 50th in style. His team finished the home & away season with a 6 point win and he was named in the best players.

❖ **Zac Davis (U11 Comets) – 50 games**

❖ **Elijah Mills (U11 Comets) – 50 games**

❖ **Jeremy Deane (U11 Comets) – 50 games**
  All 3 boys shared and celebrated their 50th game milestone game together and unfortunately couldn’t celebrate their achievements with a victory, going down by 3 points. All 3 boys would have enjoyed reaching their individual milestones and sharing the occasion with their families and team-mates.

❖ **Josh Bursztyn (U11 Jets) – 50 games**
  Playing against the top of the ladder team Josh’s U11 Jets encountered a tough day on the field, however, he would have proud to have reached his 50th game milestone.

❖ **Hudson Levine (U12 Comets) – 50 games**
  “Hoody” Levine celebrated his 50th game with a 10 point win and was also named in the best players.

❖ **Ari Feldmann (U12 Stars) – 50 games**
  Ari’s team had a good win by 45 points so he would have enjoyed the day.

  **Mazel-Tov to all boys on reaching your milestones.**

**Match Report**

The final challenge for the season presented itself to our Under 9 Stars in the way of the Under 9 Lightning Premiership carnival at Port Melbourne. All twenty four Ajax players were nervous but up for excitement that lay ahead.

**First game** we came up against an opponent that we had just defeated during the season. It was a dominating start by the Stars but we didn’t manage to kick the goals when the opportunity was there and went in at half time just behind. It was a day when attack on the football was paramount and even though the Stars demonstrated their ability to win the ball, we were out played in the end and lost by one point. Not the start we had planned for and as a result it meant the next 2 games were must wins.

**Second game** we met a team that had defeated us during the season, so we knew a fast start was required to give the boys confidence to shut the opposition out, and to cause an upset. The boys lifted their intensity and tackled the opposition at all times, to win possession time and time again. As a result the hardness and team play of these Under 9 Stars gave us the result we were after with a 14 point victory.

It all came down to the **last game**, effectively the Grand Final, as we need to win to put us in a position to take home the ultimate prize of the Lightening Premiership. We were playing a team that we had not met during the season. Coaches drilled into the boys before this game that it was last time together as the Under 9 Stars and they have an opportunity to do something that they can remember for many years to come. It was time for these boys to give their best efforts for each other, their supporters and for the Ajax football club.

From the bounce the coaches could see something special from their boys, as each and every player did their best for each other, and went in to get the football like it was the last game they were ever going to play.
The premiership was at stake here, and the boys knew it!! Ajax out muscled the opposition from the bounce and played possession football like we had trained for all season. It was run, carry, long kick to goal when we had possession, and chase and tackle when we didn’t have it. The result was a grand one, with the Stars running away with a 41 point victory.

We now awaited the final results to come in, and it was going to be close, with two teams in our group on the same win/loss record. The announcement was made…and that the **Ajax Under 9 Stars had won the premiership** by the barest of percentage margins and the euphoria was enormous. Players, coaches and supporters were jubilant and rightly so, for this Ajax team of Auskick graduates in 2012 were now fully fledged Ajax football players in 2013.

We accepted the pennant flag and sang the Ajax footy song that could have been heard from Port Melb to Port Douglas. Every single one of the boys made a contribution to the team today, and throughout the season grew as footballers - well done to all.

The boys were **FANTASTIC** all season (Thursdays and Sundays) and made us very proud not only today, but week in week out.

So we look forward to next year and I sincerely hope every one of our team will be back as AJAX footballers in season 2014. Congratulations again, a special day that will be with us all for a many years - we are very proud of the boys.

Adam Levin, Rohan Woolf & Michael Fried.

**Mazel-Tov to the Coaches Adam, Rohan & Michael, players, parents, grandparents and all others associated with the team throughout the season and winning the Lightning Carnival Pennant for their division.**
**U9 COMETS – Lightning Carnival results**

**Game 1:** Bentleigh 6.4 (40) d Ajax 3.2 (20)
**Goals:** C Sheezel, H Sheezel, Wrobel

**Match Report**

This was the game that would determine the winner of the lightning premiership. Unfortunately, Ajax opened slowly with the breeze and failed to make best use of the wind. The Jackers held an 8 point lead at the break but the Bentleigh big men were too strong and their runners broke through for goals when it counted.

**Game 2:** Ajax 11.5 (71) d Waverley Park Brown 2.4 (16)
**Goals:** Spicer 4, Gardy 2, H Sheezel 2, Carrick, Light, Wrobel

**Match Report**

The Ajax Comets were too strong for the Waverley Park Hawks. The defence held them well against the strong wind in the first half and the midfield and attacking players were at the top of their game with 9 goals in just 12 minutes in the second.

**Game 3:** Ajax 8.1 (59) d St Pauls Silver 4.3 (27)
**Goals:** H Sheezel 2, Spicer 2, Carrick, Light, C Sheezel, Thurston

**Match Report**

St. Pauls Silver were undefeated going into the lightning premiership and lost their first game to Bentleigh earlier in the day. The Comets again defended strongly against the wind and attacked strongly when their turn came and finished the season with a brilliant six goal half against quality opposition.

**Best players in the LP Carnival:** H Sheezel, Spicer, Wrobel, Light, C. Sheezel, Gardy.

**Summary:** The team was on top for virtually five of the six halves played but they weren't quite good enough to win over the tall timber of Bentleigh in that first game. They still capped off a fine season to finish runners up in their group and can feel proud of their achievements and their improvement over the year.
U9 JETS – Lightning Carnival results

Game 1: East Malvern 4.4 (28) d Ajax 2.5 (17)
Goals: Segman, Wasbutzki
Best: Faigen, Feder, Greenberg, Stein, Waks, Wasbutzki

Match Report
Led by captain Avi on a freezing Melbourne afternoon, Jets started well but were kicking into the wind which made it tough. Settled down in the second half and came home strong but just fell short.

Game 2: Dingley 3.4 (22) d Ajax 2.5 (17)
Goals: Wasbutzki 2
Best: Feiglin, Goldfarb, Jotkowitz, Levy, Nirens, Stein

Match Report
Had beaten Dingley twice in the season but inaccurate kicking saw the Jets go down by a kick. Again kicking into the wind initially made for catchup football.

Game 3: Ajax 7.3 (45) d Beaumaris 2.5 (17)
Goals: Grunfeld 3, Wasbutzki 2, Alford, Nagar
Best: Alford, Grunfeld, Michelson, Nagar, Schauder, Zielinski

Match Report
It all came together very nicely in Game 3 and the Jets kept their best till last to finish the season off with an emphatic win over Beaumaris. Multiple goals kickers including 3 from Grunfeld helped everyone forget about the artic bite in the air and finished the year off on a high. Solid performance throughout the day by all players and Corey kicked goals in each of the games.

Well done U9 Jets on a fantastic season!!!

Round 13 Team Results & Match Reports

U10 Comets: Ajax 7.6 (48) d Murrumbeena Gold 6.6 (42)
Goals: Goldfarb 2, Briskin, Jacobs, Lowe, Nissen, Siegel
Best: Goldfarb, Lowe, Nissen, Rotstein, Shostak, Vogel

Match Report
What better way to finish off the season than a nail biting win in trying conditions! In what was the first game back for a number of boys and we looked scratchy and didn't make full use of the howling wind.

Great to see Jonah relish his forward role by kicking a couple of goals, especially the sealer. Josh Rotstein was in the play all day and repelled many attacks from CHB.

Juzzy and Rory were strong in the ruck and Shosty was hard at the ball all day in his 50th game. Zac was his usual industrious self and Brett had another cameo up forward to score a goal.

Everyone is now really looking forward to a super competitive and hard-at-it showing in the Lightning Premiership next week.
U10 Jets: Ajax 7.14 (56) d Waverley Park Gold 1.1 (7)
Goals: Bardas 3, Efron 2, Kupshik 2
Best: Bardas, Efron, Hatchuel, Katz, Kupshik, Zielinski

Match Report
A great display of football by the whole team today. In the first half Ajax totally dominated the opposition, they came to play football and showed their force and determination.

U11 Comets: Waverley Park 6.5 (39) d Ajax 5.6 (36)
Goals: Taranto 2, Deane, King, Lewin
Best: Brick, D Cohen, Davis, Lewin, Max, Taranto

Match Report
It was a disappointing day for the Ajax U11 Comets, going down to Waverly Park by less than a kick. The Comets were never switched on and were second to the ball. They looked lethargic, often being outnumbered.

Despite that, their ball skills and efficiency allowed them to stay in the game and, at one point, nearly stealing it. Leading up to finals, the players will need to be far more aggressive at the ball.

Congratulations to 3 players on their 50 games for the club – Zac Davis, Jeremy Deane & Elijah Mills.

U11 Jets: Dingley Black 3.5 (23) d Ajax 0.2 (2)
Goals: n/a
Best: A Carp, H Carp, Grodski, Micmacher, Roff, Sheezel

Match Report
Today the U11 Jets played top of the ladder Dingley Black in a do or die game to make the finals. Having beaten Dingley in our previous encounter the boys were confident of matching it with the league leaders.

Unfortunately Dingley came to win and matched Ajax in their ferocity at the contest and hunger for the ball. In the end they were simply too strong and too good, although the Jets never stopped trying. Playing in difficult conditions, the Jets just couldn’t hit the scoreboard and were overwhelmed by 21 points.

Special mention to Josh Bursztyn and Max Rosenberg who celebrated their 50th game. Go Jets!

U12 Comets: Ajax 6.5 (41) d Ormond 4.7 (31)
Goals: Lipton 2, Siegel 2, Eliau, Miller
Best: Siegel, Lipton, Levine, Genis, Gordon, Eliau

Match Report
It has been a while since the boys have had a win and they celebrated hard singing the club song for all to hear. In a very windy day with only one scoring end (only a single point was kicked at the non windy side for the day), the boys took advantage of the wind in the 3 quarter and kicked 5 goals. Ormond was only able to kick 2 goals in the last qtr giving the boys a 10 point win. Good to see Tyler out supporting his team whilst recovered from an elbow injury.

The win was a great way to celebrate “Hoody” Levine’s 50th game today – well done boys.
**U12 Jets:** Mordialloc Braeside 5.8 (38) d **Ajax** 1.3 (9)
**Goals:** Garson
**Best:** Altman, Cowan, Elbaum, Goldberg, Jacobs, Nirens

**Match Report**
Blustery conditions and congested play made it difficult today. Jackers started off well and tried hard all day but struggled to capitalise on the scoreboard. Nevertheless, coaches were reasonably pleased with the effort and look forward to a good week of training followed by a four quarter effort in the final game next week.

**U12 Stars:** Ajax 8.11 (59) d St Bedes Mentone 2.2 (14)
**Goals:** Chrapot 3, N Micmacher 2, Lipp 1, Machlin 1, Yaffe 1
**Best:** Chrapot, Grunfeld, Machlin, J Micmacher, N Micmacher, Pacanowski

**Match Report**
It was a cold and windswept afternoon that the Stars travelled south to play St Bedes. Last time these teams met, Ajax thumped St Bedes 139 to nil, so there was much anticipation in the air.

At quarter time, St Bedes were up by a goal and a point, and there was shock and awe on our boys faces. After a well-deserved spray by the coaches, our boys focused on the ball, and with the wind at their backs, they took the lead, albeit in a scrappy contest.

With the wind supporting St Bedes in the 3rd Qtr, Ajax did well to keep the ball in the forward half for most of the play, and held onto their lead of 18 points.

So when Ajax stepped up to begin the final quarter, it was only a matter of time before the goals would be converted. Within 2 minutes Lipp scored the first goal of the qtr, and Ajax went on to win by 45 points. Chrapot was back to his goal-scoring best, and Grunfeld’s play was gritty and his tackling was an inspiration to all.

Mazal tov to Ari Feldman for reaching his 50th game.

**U13 Jets:** Prahran Blue 11.12 (78) d **Ajax** 3.4 (22)
**Goals:** Briggs 2, Braverman
**Best:** Briggs, Davis, Friede, Kupshik, Reichenberg, Tepper

**Match Report**
A tough match on a cold and windy day against a classy opponent. The boys tried their best all day, and “won” the 4th quarter.

A fine performance by Lior Davis to celebrate his Bar Mitzvah!!

We have our last match of the season next week – everyone come and cheer the team on one last time for 2013.

**U13 Comets:** St Pauls 12.14 (86) d **Ajax** 1.1 (7)
**Goals:** Jenshel
**Best:** Gabriel, Hymans, Mosinsky, Wise

**Match Report**
Blustorous conditions and short numbers proved costly which contributed to our lackluster performance. There are positives that we can take out of this game, moving forward.
U14 Comets: Bye

U15 Girls (Elimination Final): Mordialloc-Braeside 5.6 (36) d Ajax 1.0 (6)
Goals: Silver
Best: Altman, Cherry, Curtis, Friedman, I Guoga, M Guoga

Match Report

Today 13 Jackettes played at Moorleigh Reserve in an Elimination Final against the team we played last week. The game was played in slippery, muddy & windy conditions.

The Jackettes showed lots of endeavour and desperation during the 4 quarters as they ran hard, tackled hard, fought for the ball and backed up and supported each other. They gave 100% effort today and you cannot ask anything more than that.

As the season progressed their skills improved and all girls are to be commended for their commitment and dedication not just for this game but for the 11 games played this season.

The Jackettes will come back a bigger and stronger unit for next season.

All the Jackettes and parents should be proud of their efforts this year and we will shortly have a get-together to acknowledge their 1st season playing in the U15 Girls competition.

David, Braham & Danielle

U15 Jets: Ajax 10.7 (67) d East Sandringham 8.8 (56)
Goals: J Cohen 3, Davis 3, Benge 2, Paltiel, Walsh
Best: J Cohen, Davis, Krakauer, Nissenbaum, Paltiel, Wise

Match Report

None reported.

U15 Comets: Oakleigh 8.8 (56) d Ajax 5.6 (36)
Goals: Klooger 2, Cohen, Hymans, Nadelman
Best: Belnick, Cohen, Givoni, Leibowitz, Takac, Tovel

Match Report

Great 4 qtr effort against the top side.

U16: East Sandringham 13.8 (86) d Ajax 6.10 (46)
Goals: Beaconsfield, Hamilton, Levy, Mastellone, Michelson, Teleshevsky
Best: Bookman, Davis, Korman, Levy, Lipton, Michelson

Match Report

Not a lot to be proud of today. Time for a regroup and set up plans to work as a team as we gear up for the finals.
**U17:** Cheltenham 11.13 (79) d Ajax 7.5 (47)
**Goals:** Brygel 4, Klein 2, Manahem
**Best:** Alter, Brygel, Burston, Fitt, Shapiro, Velleman

**Match Report**
A flat start as a result of not being switched on before the game was the tale of the day. Cheltenham took a 30 point lead in the first quarter and the boys weren't able to recover from it. The team put in a good effort in the second quarter but dropped off for the last two quarters.

**U10’s Lightning Carnival Information**

**GO JACKAS.**
Eskal would like to thank the AJAX Football club for making us welcome at this week’s home games. We enjoyed hosting our first ever sponsors day.

Throughout the day we presented medals to the best player on each side as well as giving away some Eskal goodie bags. After their game each player enjoyed an Eskal bag filled with Eskal pickles, chocolate, marshmallows and Beigel & Beigel pretzels. It was great to see the parents enjoying the products just as much as the players! Hopefully those players sneaking in some chocolate and marshmallows BEFORE the game didn’t overindulge too much!

We enjoy being a part of the club and sharing our products with everyone, we look forward to continuing our sponsorship for the 2014 season and hosting another sponsors day.

Eskal products are available at your local Coles, Woolworths, Deli’s and select health food stores. For more information visit www.trialiafoods.com.au or call 9701 1666

**Unwanted / Outgrown footy boots – do you have any?**

Mt Scopus College is hoping to set up a footy boots loan scheme to assist boys who play only a few games of football for the college and don’t have their own boots.

The college has sought the assistance of the AJFC and its members to donate any unwanted or outgrown footy boots either now or at the end of the season. They are particularly after sizes 6-10 boots for boys in Years 7-10.

If anyone of the AJFC community has any unwanted or outgrown footy boots they would like to donate to Mt Scopus you can:

1. Place them in a bag addressed to “footy boots loan scheme” and leave them in the “lost property bin located in the AJFC club-rooms, or alternatively

2. send an email to publicity@ajfc.com.au for details regarding an alternative collection.

We thank you for your assistance.

AJAX FC JUNIORS

Hope you enjoyed reading this week's wrap and GO JACKAS!!

Now read on for Round 13 of the Seniors Wrap
AJAX’s has put a dent in final hopes after an agonising narrow defeat to Parkdale Vultures, going down 6.7 (43) to 5.10 (40) away in horrendous conditions on the weekend.

The side now sits two games out of the top four with five games remaining the season.

Heavy rain and strong winds, the Jackas fought hard all day, but eventually fell just short, despite keeping its opposition to just two behinds in the final term.

The hosts came firing out of the blocks early, putting on the first two majors of the day in quick succession.

But returning big man Jason Seidl hit back for the visitors, before Jason Tendler got AJAX to within two points at the first break with a late roving goal.

Both sides struggled to gain momentum in the second term, as clean ball use was at a minimum in a sloppy affair.

Nick Marks managed a long bomb out of a congested pack to give the Jackas the lead, but it was short-lived, with Parkdale regaining its advantage just before the main break.

With the conditions getting no better in the second half, it was the home team that was able to get the edge on the Jackas. Parkdale slotted three goals to Rubin Winograd’s one in the third quarter to jump out to a 10-point lead heading into the last term.

AJAX was able to hold out its opposition in the final stanza, defending boldly to keep them goalless.

Brad Caplan then gave the away side a glimmer of...
hope when he soccorered through with minutes to go.

Skipper Marcus Jankie could have given the Jackas the lead late in the match, but his set shot sailed wide and Parkdale was able to hold on for the tight victory.

The Reserves also failed to pick up the points after falling seven-goals short.

Under 19's

AJAX were certainly in the game throughout the day, they started with a strong 1st quarter to lead 2.2 to 1.5, but the ball was slippery and clean possessions, let alone marks, were extremely difficult in very trying conditions.

The boys got to within 7 pts at 3/4 time after slogging it out in 3rd to keep opponents scoreless.

A goal in the last 5 mins gave us a sniff, but Northern Blues answered to run out deserving 14 pt winners.
