Students attending the 2013 Buffalo Sports NSW All Schools are eligible for selection in the NSW team to the Australian All Schools.

The selection process is the same as in 2012:

Students placing first and second in all 13 yrs (U14), 15 yrs (U16) and 17yrs (U18) events at the NSW All Schools will be selected to represent NSW at the National All Schools.

In addition, students placing first in all 14yrs (U15) and 16 yrs(U17) events will also be selected. These athletes will compete “up” an age group at the National All Schools.

For example- first place in the 14 boys 100m at the NSW All Schools will be selected to represent NSW, competing in the U/16s at the National All Schools.

Due to the limited number of positions available, there will be no exemptions. Only athletes that compete at the NSW All Schools and meet the criteria outlined above will be selected regardless of injury, illness or misadventure.
