

Junior Rebels Newsletter

Rebels Baseball Club

September 2017

2017-18 Season commences soon

Junior Games commence 15 October

Junior baseball will commence on Saturday 14 October 2017 for all grades except T-Ball. The season will cover 15 weeks, 10 pre-Xmas and 5 post-Xmas. It is expected that there will be Wednesday games for Little League Major (U13) and Senior League (U15). Training will officially commence on Monday 9 October although we may run some earlier sessions during the school holidays. Please see the [Rebels website](#) for more information

The T-Ball season will commence on 18 November and have a shortened season of 10 weeks (5 pre-Xmas and 5 post-Xmas). Rebels' players in the T-Ball competition will have preparation sessions at Curtin during Wednesday night training from 11 October.

Rebel's 60th Anniversary Gala Event

Save 16 September for a fun day at Curtin Oval

Rebels will celebrate its 60th season of baseball in Canberra. We will be kicking off the season with a Gala Event for all the family at Curtin oval on 16 September starting at 11:00. The final program for the day is being finalized but it will be a great opportunity to catch up with the Rebels family. You will also be able to register at the event if you haven't already done so. We look forward to seeing you there. Keep your eyes on the Rebels Facebook site and website for more details

Scorers Clinics

Would you like to learn to score or get a refresher?

ACT Baseball Scorers Association is running scoring clinics, with specific clinics for Little League scorers in October. A great chance to get to learn how to score or brush up on your skills. See http://act.baseball.com.au/Portals/31/News/ACTBA_Scorers_2015.pdf for details.

Imports Are Coming!

Can you provide accommodation for an import?

Each year Rebels has a small number of players coming from overseas to play for the club and assist with the development of our players. This year is no exception and we expect to have two import players joining us in September and October.

Traditionally the imports have been hosted by Rebels families and we are seeking expressions of interest from families who would be able to provide accommodation. This is a great opportunity to support the club and make friends with an overseas baseball player. If you are interested could you please email Mick Patton, VP Seniors at actrbc.vpseniors@gmail.com

Online Registration Available Now!

Baseball Australia has introduced online registration for all baseball clubs around Australia.

The Rebels registration system is now live and available for you to register your players and family members.

See the Rebels website or click [HERE](#) to register
