TeeBeeCee GAZETTE – FEBRUARY 2019

WELCOME TO NEW SPONSORS...

We have three NEW SPONSORS for 2019 and they are:

Our new MAJOR SPONSOR – LJ Hooker Turrumurra/Pymble

PLUS

Two new GOLD SPONSORS:

Gordon Barber Shop and SM Art Painted Finishes.

So, if you have a house to sell, want your house painted or have a haircut then please consider and use our new Sponsors.

I would also appreciate your continued support of all our sponsors since they are supporting you and your Club.

An important thing to remember is to advise the Sponsor that you are a Turrumurra Bowling Club Member as this is the only way a Sponsor can gauge if they are getting any benefit from their Sponsorship dollar.

This is particularly important when dealing with LJ Hooker Turrumurra/Pymble (Real Estate) since our agreement provides TBC with an incentive payment to the Club for every property they sell where the recommendation has come from a TBC Member.

Thank you Herbie

News from the Men's Club

NOTE FROM THE MATCH COMMITTEE [CLUB CHAMPIONSHIPS]

If any player [singles] or team wish to apply to defer the playing date of any Final in a Club Championship, they must complete a form to apply for a deferment and submit it to the Chairman of the Match Committee.

The match committee will evaluate the circumstances and make a decision.

During the rounds of the championships, teams will have to use a substitute if a player is unavailable. The play on or before rule will apply and if this cannot be done the unavailable player / team will forfeit.

The **2019 Men's Pairs Championship Final** between Herb Brenner & Geoff Hamilton against Cec Thomson & Bob Hawtree will be played on Sunday, 10th February.

Pictured below are the Semi Finalists of the Club Pairs Championship.

The nomination sheet for the **2019 Men's Major Singles Championship** is on the board. The first round is on Sunday 10th March.

Internal Pennant Trials will be held throughout January and February. All grades will play an external trial against Pennant Hills on the 2nd March

Mixed Bowls Report.

The first event of Mixed Bowls has been scheduled for 28th April this year. This is the Mixed Fours on Sunday card call at 12.30pm.

This later date will enable teams to get together and 'gel'.

Friday Bowls is going strong (even on the hot recent days). Come along and practice. Hosted by Yvonne Williams and Jan Baker who do a fantastic job keeping this event going. Give them all the support you can. WP.

PRESIDENT'S BOWLS REPORT FOR LADIES

Ladies bowls resumed on 8th January. The hot weather has seen lower than normal numbers attend social bowls.

The Major Singles is under way, good bowling to all those who have entered the competition.

Good luck to those who have entered the District Open/Senior Pairs and Singles.

The Selectors have been organising pennant practise games where possible with the pennant season soon approaching.

Sadly I advise the passing of Penny Stewart, most ladies would remember Penny who bowled with us for a short time. I also attended the funeral of Cecilia Inglis another sad loss for our club.

Good bowling to all - **Sue Hamilton – President**

Married men

A large company (who shall remain anonymous) had a policy of hiring only married men.

Concerned about this, the leader of a local Woman's Affirmative Action Group, called on the CEO of the company and asked him, " Why is it that you limit your employees to married men? Is it because you consider us women weak, dumb, cantankerous, bossy, tantrum-throwers? "

The CEO replied, " Not at all, Madam. Our policy is to hire staff who are used to obeying orders without question, are accustomed to being shoved around, know how to keep their mouths shut, and will put up with anything I yell at them. We only found all these qualities in married men."

DOING THIS

NOT THIS

PHOTO OF THE YEAR It was considered the best photo of this century. A lioness and her cub were crossing the savannah but the heat was excessive and the cub was in great difficulty walking. An elephant realised that the cub would die and carried him in his trunk to a pool of water walking beside his mother and we call them wild animals. It's a great lesson for mankind who are fighting and dying for no good reason.

INNER PEACE

I'm passing this on to all my friends & family because it worked for me today...Dr Oz on TV said that to reach inner peace we should always finish things we start, and we all could use more calm in our lives during the hectic Holiday season.

I looked around my house to find things I'd started and hadn't finished, so I finished off a bottle of Merlot, a bottle of Chardonnay, a bottle of Baileys, a bottle of wum, the remainder of Valiuminun scriptins, and a box of chocletz.

Yu haf no idr how fablus I feel rite now. Sned this to all who need inner piss. An telum u luvum~!

When Insults Had Class

These glorious insults are from an era before the English language got boiled down to four letter words.

The exchange between Churchill & Lady Astor:

She said, "If you were my husband I'd give you poison." He said, "If you were my wife, I'd drink it."

A member of Parliament to Disraeli:

"Sir, you will either die on the gallows or of some unspeakable disease."

"That depends, Sir," said Disraeli, "whether I embrace your policies or your mistress."

"He had delusions of adequacy." - Walter Kerr

"He has all the virtues I dislike and none of the vices I admire." - Winston Churchill

"I have never killed a man, but I have read many obituaries with great pleasure." Clarence Darrow

"He has never been known to use a word that might send a reader to the dictionary." - William Faulkner (about Ernest Hemingway).

"Thank you for sending me a copy of your book; I'll waste no time reading it." - Moses Hadas

"I didn't attend the funeral, but I sent a nice letter saying I approved of it." - Mark Twain

"He has no enemies, but is intensely disliked by his friends.." - Oscar Wilde

"I've had a perfectly wonderful evening. But this wasn't it." - Groucho Marx

- George Bernard Shaw to Winston Churchill

"I am enclosing two tickets to the first night of my new play; bring a friend.... if you have one."

- Winston Churchill, in response "Cannot possibly attend first night, will attend second.... if there is one."

"I feel so miserable without you; it's almost like having you here." - Stephen Bishop

"He is a self-made man and worships his creator." - John Bright

"I've just learned about his illness. Let's hope it's nothing trivial" - Irvin S. Cobb

"He is not only dull himself; he is the cause of dullness in others." - Samuel Johnson

"He is simply a shiver looking for a spine to run up." - Paul Keating

"Why do you sit there looking like an envelope without any address on it?" - Mark Twain

"His mother should have thrown him away and kept the stork." - Mae West

"Some cause happiness wherever they go; others, whenever they go.." - Oscar Wilde

"He has Van Gogh's ear for music." - Billy Wilder

DIARY OF A POM IN Katherine (Northern Territory)

August 31

Just got transferred with work from Leeds UK to our new home in Katherine, Australia. Now this is a town that knows how to live! Beautiful, sunny days and warm, balmy evenings. I watched the sunset from a deckchair by our pool yesterday. It was beautiful. I've finally found my new home. I love it here.

September 13

Really heating up now. It got to 31 today. No problem though. Living in air-conditioned home, driving air-conditioned car. What a pleasure to see the sun every day like this. I'm turning into a sun-worshipper - no blasted rain like back in Leeds !!

September 30

Had the back yard landscaped with tropical plants today. Lots of palms and rocks. No more mowing lawns for me! Another scorcher today, but I love it here. It's Paradise!

October 10

The temperature hasn't been below 35 all week. How do people get used to this kind of heat? At least today it's windy though. Keeps the flies off a bit. Acclimatising is taking longer than we expected.

October 15

Fell asleep by the pool yesterday. Got third degree burns over 60% of my body. Missed three days off work. What a dumb thing to do. Got to respect the old sun in a climate like this!

October 20

Didn't notice Kitty (our cat) sneaking into the car before I left for work this morning. By the time I got back to the car after work, Kitty had died and swollen up to the size of a shopping bag and stuck to the upholstery. The car now smells like Whiskas and cat shit. I've learned my lesson though: no more pets in this heat.

October 25

This wind is a bastard. It feels like a giant flaming blow dryer. And it's hot as hell! The home air conditioner is on the blink and the repair man charged \$200 just to drive over and tell me he needs to order parts from frigging BrisbaneThe wife & the kids are complaining.

October 30

The temperature's up around 40 and the parts still haven't arrived for the blinking air conditioner. House is an oven so we've all been sleeping outside by the pool for 3 nights now. Bloody \$600,000 house and we can't even go inside. Why the hell did I ever come here?

November 4

Finally got the frigging air-conditioner fixed. It cost \$1,500 and gets the temperature down to around 25 degrees, but the humidity makes it feel about 35.

Stupid repairman.

Bloody thief.

November 8

If one more smart bastard says 'Hot enough for you today?' I'm going to frigging throttle him.

Frigging heat!

By the time I get to work, the car radiator is boiling over, my blinking clothes are soaking blinking wet and I smell like baked cat.

frigging place is the end of the Earth.

November 9

Tried to run some errands after work, wore shorts, and sat on the black leather upholstery in my car.

I thought my frigging arse was on fire.

I lost 2 layers of flesh, all the hair on the backs of my legs and off my frigging arse.

Now the car smells like burnt hair, fried arse and baked cat.

Bugger. Bugger. Bugger.

November 10

The Weather report might as well be a blinking recording.

Hot and sunny.

Hot and sunny, Hot and friggin sunny. It never friggin changes!

It's been too hot to do anything for two blinking months and the weatherman says it might really warm up next week.

Bugger!

November 15

Doesn't it ever rain in this damn blasted place?

Water restrictions will be next, so my \$5,000 worth of palms might just dry up and blow into the blasted pool. The only things that thrive in this frigging hell-hole are the frigging flies.

You don't dare open your mouth for fear of swallowing half a dozen of the little bastards!

November 20

Welcome to HELL!

It got to 45 bloody degrees today.

Now the air conditioner gone in my car.

The repair man came to fix it and said, 'Hot enough for you today?'

I wanted to shove the frigging car up his frigging arse.

Anyway, had to spend the \$2,500 mortgage payment to bail me out of jail for assaulting the stupid prick.

Bloody Katherine!!

What kind of sick, demented blasted idiot would want to live here!

December 1

WHAT!!!! The FIRST day of Summer!!!!

You are f.....g kidding me!

(thank Herbie for this)
