

# CLUB JACKETS

The club is introducing an 'all weather jacket', to address the need for a warmer alternative to our spray jacket in the cooler months. It is very similar to the jacket Hockey SA use as a state team supporter's jacket. The outside is Nylon Ripstop (165GSM); extremely waterproof, with a fleece lining. They are incredibly warm, and from those who have worn similar tops, very comfortable.

The jacket is priced at \$100.00 and is available in the sizes outlined in the charts below.

The delivery time is considerable, 8-10 weeks from placing our order. It is planned that the order, minimum numbers permitting, would be placed in the first week of June. While not ideal for this year, they will be good to use for years ahead. Please note that orders in future years may also be influenced by minimum numbers.

If you wish to order a jacket please fill in the Club Apparel Order Form found on the Club Apparel page of the website [www.grangeroyals.org.au](http://www.grangeroyals.org.au) including your name and size of the jacket you wish to order, no later than Thursday MAY 31<sup>st</sup>.

For any queries please contact Lyn Phillips at [clubapparel@grangeroyals.org.au](mailto:clubapparel@grangeroyals.org.au).
