

SENIOR LEAGUE REGULAR SEASON FORMAT

COMMENCING SATURDAY 25/11/2017

At the conclusion of the first 7 rounds all teams will be placed into a new division depending on their standings in the current divisions of North, East & South.

Teams placed 1st & 2nd from North, East & South will form the Liam Hendricks division.

Teams placed 3rd & 4th from North, East & South will form the Warwick Saupold division.

The remaining 8 teams will be placed in the Peter Moylan division.

Teams for the new competition will be randomly drawn to form the fixtures we have already formatted.

It is imperative that all score reports MUST be completed by both teams on the evening of Round 7 (18/11/2017) in order for us to have the new fixtures up and running on the Monday morning so everyone can prepare for the week ahead.
