M5's Break Drought

There was joy and relief on Sunday at Port Adelaide as the Metro 5 Men secured their first points of the season with a 4-0 win over Flinders Uni. It was the first time in seven games that the team had a full complement of players, allowing them to have numerous rotations with four on the bench. It was a great team game and the win was built on a solid backline with some polish up front in James Parry who scored two goals. The team will hope to take the winning confidence into their game against rivals Port Adelaide this weekend.

The M2 Women have continued along their winning ways with a convincing 5-0 win over Port Adelaide. They have now played every team in their division and are currently top of the table with six wins and a draw from seven games. Their success has been built on being solid at the back where they have conceded only three goals and a pleasing sign in attack is how they have shared the goals around, with their 19 goals scored coming from 10 different players. Burnside awaits them this weekend, the only team who has taken points from them this season after a 1-1 draw in Round 1.

Junior Round Up

First Win for U15 Boys

The Under 15's have been improving each game and they have been rewarded for their hard work, defeating Forest Hills 4-2 last Friday night for their first win of the season. It was a very competitive game with all boys playing great hockey. There was strong attack for the majority of the game which resulted in two goals to Griffin Wolthers, and one each to Tom Edwards and Jordan Chandler. All boys attacked the ball strongly and relentlessly with solid passing and manning up in defence. It was the first time they have had a full side and hopefully that continues against second placed Adelaide Uni this Friday. All in all, it was a great team effort, well done boys.
