PLM Strong Start

The PL Men kicked off their 2018 season in emphatic style with a 10-1 win over Woodville.

It was a scrappy game, which was expected in Round 1, but our PLM showed glimpses of their best as they ran riot in front of goals. A 6-0 half time lead turned into 10-0 late in the second half and while conceding a goal with a couple minutes to go ruined their clean sheet, they would have been happy with the hit-out.

They face rivals Adelaide Uni this week, who lost 1-2 to North East first-up, and their previous clashes have been fiery. Bryley Dedman and Paxton Silby are expected to come back into the team, after being in Tasmania for the Under 18 National Championships, and it is a perfect opportunity to continue their winning start to the season.

Our PL Women fought hard in their match against Forestville on Saturday, going down 0-1 after being tied nil-all at halftime.

The group is developing well under Greg Abbott, who is in his second year of coaching the team, as they look to improve on their 2017 results. They face Woodville this week who they had the upper-hand over last season. A win is definitely possible and if they are successful, it will give the women much needed confidence moving forward.

Once again, Hockey SA have scheduled all Premier League games to be played on Saturday at the State Hockey Centre. It creates a great atmosphere and will be good to see the Maroon and White army at the ground.

Clearances & Dual Registration

If you have come to Grange Royals from another club, then we need to make sure a clearance has been submitted and approved prior to the start of the season. Even if you have not played for 3 years, we still need to make sure a clearance is sought from your old club.

If you are playing for a country based club as well as Grange Royals this season, we need to make sure a Dual Registration is submitted prior to you playing for Grange Royals.

If you are unsure what to do, or not sure if you need to bother, then please contact Mark Dedman at mark.dedman@sawater.com.au or 0417 859 025
