Please note that if there is a total washout the event will be rescheduled to 14th July.

News from the Men's Club

The Club Major Singles Final to be played on Sunday 4th June will be between

BOB HAWTREE

KEN WALLIS

The 2017 Pennants season was one of disappointment. Grade 3 finished the year in a creditable 3rd position in their section. However, our grade 4 and grade 6 sides found the going very tough and both sides were awarded the dreaded wooden spoon. Perhaps we will be more competitive in grades 5 and 7 next year.

The first round for the 2017 Club Triples Championship is to be played on Saturday 10th June.

The nomination sheet for the 2017 Graded Fours is on the noticeboard. This is NOT the Championship Fours, but is a competition to encourage bowlers from a mix of grades and ability to put teams together for a fun competition.

Our markers for the Semi Finals of the Major Singles looking very official. Perhaps they are attempting to set the standard for the future.

PRESIDENT'S REPORT FOR LADIES CLUB

Thank you to all the ladies who have committed to being part of the ladies club committee for the next 12 months.

As I am currently in Coolangatta playing in the Nationals for the NSW blind bowls team I will catch up on the news next month.

Sandy White **PRESIDENT** Have a nice day

MIXED BOWLS REPORT

At last we have a game to report. A semi-final will be played on Sunday 11th June, card call 12.45p.m. This is the Mixed Fours which has been badly interrupted by the rain delayed Pennants earlier in the year. Teams are : Cath Ryan, Anne Webb, Mick Ryan and Bill McMurdy versus Judy Cross, Marilyn Brenner, Herb Brenner and Bob Hawtree. Good luck to both teams and we hope for some good weather.

The first round of the Mixed Triples had a situation where only one game could be played and unfortunately Cedric Lewis's team had to forfeit. The 2nd round of this competition will be played on Sunday 13th August card call 12.45p.m. Look out for the 3 mixed teams to represent TBC at the upcoming Turramurra and Lindfield Community Bank Shield competition. This will held on Friday the 7th July at Roseville Bowling Club. See the attached Notice of Race.

WP

MAHJONG AND CARD DAY

Card day this month is **Monday 19th June**, starting 10 am. Lunch at noon \$12. Lucky door prize?? Mahjong as well on that day. Everyone is welcome (bring a friend, especially beginners will be given instruction)

Do you play canasta? Come along and enjoy, bring your friends, it is warm and cozy here.

As well Mahjong is also every Monday from 1 pm \$5 with afternoon tea.

For your diary, please note; No play on Monday 12th June (Queens Birthday) or 17th July (bowling day) or 2nd October (Labour Day) and no card day on 18th December.

Enquiries; Jeanette Staniland 9489 5616 – and **Val Parry** 9144 2473

WHY? Why are many coin collection jar banks shaped like pigs?

BECAUSE

Long ago, dishes and cookware in Europe were made of dense orange clay called 'pygg'. When people saved coins in jars made of this clay, the jars became known as 'pygg banks.' When an English potter misunderstood the word, he made a container that resembled a pig. And it caught on.

Money can't buy happiness, but it keeps the kids in touch!

If you think nobody cares whether you're alive, try missing a couple of payments.

Relationships are a lot like algebra. Have you ever looked at your X and wondered Y?

Give a blanket. Get a warm feeling.

Support those less fortunate this winter.
Donate your blankets here and we'll deliver
them to those in need.

Cucumbers... I didn't know this...& to think all these years I've only been making salads with them...

1. Cucumbers contain most of the vitamins you need every day, just one cucumber contains Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin B6, Folic Acid, Vitamin C, Calcium, Iron, Magnesium, Phosphorus, Potassium and Zinc.
2. Feeling tired in the afternoon, put down the caffeinated soda and pick up a cucumber. Cucumbers are a good source of B vitamins and Carbohydrates that can provide that quick pick-me-up that can last for hours.
3. Tired of your bathroom mirror fogging up after a shower? Try rubbing a cucumber slice along the mirror, it will eliminate the fog and provide a soothing, spa-like fragrance.
4. Are grubs and slugs ruining your planting beds? Place a few slices in a small pie tin and your garden will be free of pests all season long. The chemicals in the cucumber react with the aluminum to give off a scent undetectable to humans but drive garden pests crazy and make them flee the area.
5. Looking for a fast and easy way to remove cellulite before going out or to the pool? Try rubbing a slice or two of cucumbers along your problem area for a few minutes, the phytochemicals in the cucumber cause the collagen in your skin to tighten, firming up the outer layer and reducing the visibility of cellulite. Works great on wrinkles too!!!
6. Want to avoid a hangover or terrible headache? Eat a few cucumber slices before going to bed and wake up refreshed and headache free. Cucumbers contain enough sugar, B vitamins and electrolytes to replenish essential nutrients the body lost, keeping everything in equilibrium, avoiding both a hangover and headache!!
7. Looking to fight off that afternoon or evening snacking binge? Cucumbers have been used for centuries and often used by European trappers, traders and explorers for quick meals to thwart off starvation.
8. Have an important meeting or job interview and you realize that you don't have enough time to polish your shoes? Rub a freshly cut cucumber over the shoe, its chemicals will provide a quick and durable shine that not only looks great but also repels water.
9. Out of WD 40 and need to fix a squeaky hinge? Take a cucumber slice and rub it along the problematic hinge, and voila, the squeak is gone!
10. Stressed out and don't have time for massage, facial or visit to the spa? Cut up an entire cucumber and place it in a boiling pot of water, the chemicals and nutrients from the cucumber will react with the boiling water and be released in the steam, creating a soothing, relaxing aroma that has been shown to reduce stress in new mothers and college students during final exams.
11. Just finish a business lunch and realize you don't have gum or mints? Take a slice of cucumber and press it to the roof of your mouth with your tongue for 30 seconds to eliminate bad breath, the phytochemicals will kill the bacteria in your mouth responsible for causing bad breath.
12. Looking for a 'green' way to clean your faucets, sinks or stainless steel? Take a slice of cucumber and rub it on the surface you want to clean, not only will it remove years of tarnish and bring back the shine, but it won't leave streaks and won't harm your fingers or fingernails while you clean.
13. Using a pen and made a mistake? Take the outside of the cucumber and slowly use it to erase the pen writing, also works great on crayons and markers that the kids have used to decorate the walls!!

Pass this along to everybody you know who is looking for better and safer ways to solve life's everyday problems..

Turrumurra and Lindfield
Community Bank® branches

Big Heart Project

What an experience for our staff member Annie and her husband Tim, who were volunteers at Love Your Sister's Big Heart Project on Wednesday May 10, 2017.

During the day, and into the night, they were coin rakers, heart monitors, runners, and members of the final pack up team.

"The energy at the site in Canberra was fantastic. The positive experience of thousands of people with a common purpose - what amazing people Sam and Connie are! It was bigger and better than I ever imagined," said Annie. "There are no words."

Staff at Turrumurra and Lindfield Community Bank® branches have been fans of Love Your Sister since Sam's unicycle ride around Australia. The Big Heart Project really caught our imagination so we created our own heart in the Lindfield branch and asked our customers to add to it - and Annie took those coins with her to throw into the big heart.

With a total raised in excess of \$2.2 million I think we are all very proud that Bendigo Bank was a major sponsor at this inspiring event!

BIG CHEEKS Bet you don't know "Big cheeks"

Big cheeks. A grandson of slaves, a boy was born in a poor neighbourhood of New Orleans known as the "Back of Town." His father abandoned the family when the child was an infant. His mother became a prostitute and the boy and his sister had to live with their grandmother. Early in life he proved to be gifted for music and with three other kids he sang in the streets of New Orleans. His first gains were coins that were thrown to them.

A Jewish family, Karnofsky, who had emigrated from Lithuania to the USA, had pity for the 7-year-old boy and brought him into their home. Initially giving 'work' in the house, to feed this hungry child. There he remained and slept in this Jewish family's home where, for the first time in his life, he was treated with kindness and tenderness. When he went to bed, Mrs. Karnovsky sang him a Russian lullaby that he would sing with her. Later, he learned to sing and play several Russian and Jewish songs.

Over time, this boy became the adopted son of this family. The Karnofskys gave him money to buy his first musical instrument; as was the custom in the Jewish families. They sincerely admired his musical talent. Later, when he became a professional musician and composer, he used these Jewish melodies in compositions, such as St. James Infirmary and Go Down Moses.

The little black boy grew up and wrote a book about this Jewish family who had adopted him in 1907. In memory of this family and until the end of his life, he wore a Star of David and said that in this family, he had learned "how to live real life and determination." You might recognize his name. This little boy was called: Louis "Satchmo" Armstrong.

Louis Armstrong proudly spoke fluent Yiddish! And "Satchmo" is Yiddish for "Big Cheeks"!!!

McCarroll's
Automotive Group

McCarroll's Automotive is a family owned business, providing country service and family values. Our team has a very close link to Turrumurra Bowling Club with McCarroll's being long term partners of this great club for many years.

McCarroll's is proud to support Turrumurra Bowling Club and look forward to welcoming you to one of our dealerships very soon.

- High Quality Produce and products
- Excellent Customer Service
- Wide range of products
- Home delivery
- Fresh Bread Rolls daily
- Hot Chickens

And lots more.... Looking forward to seeing you in store!

1... WHY. Why do men's clothes have buttons on the right while women's clothes have buttons on the left?

BECAUSE; When buttons were invented, they were very expensive and worn primarily by the rich. Since most people are right-handed, it is easier to push buttons on the right through holes on the left. Because wealthy women were dressed by maids, dressmakers put the buttons on the maid's right! And that's where women's buttons have remained since.

2 ... WHY? Why do ships and aircraft use 'mayday' as their call for help?

BECAUSE; This comes from the French word m'aidez - meaning 'help me' - and is pronounced, approximately, 'mayday.'

3 ... WHY? Why are zero scores in tennis called 'love'?

BECAUSE; In France, where tennis became popular, the round zero on the scoreboard looked like an egg and was called 'l'oeuf,' which is French for 'the egg.' When tennis was introduced in the US, Americans (naturally), mispronounced it 'love.'

4 ... WHY? Why do X's at the end of a letter signify kisses?

BECAUSE; In the Middle Ages, when many people were unable to read or write, documents were often signed using an X. Kissing the X represented an oath to fulfill obligations specified in the document. The X and the kiss eventually became synonymous.

5 ... WHY? Why is shifting responsibility to someone else called passing the buck'?

BECAUSE; In card games, it was once customary to pass an item, called a buck, from player to player to indicate whose turn it was to deal. If a player did not wish to assume the responsibility of dealing, he would 'pass the buck' to the next player.

6 ... WHY? Why do people clink their glasses before drinking a toast?

BECAUSE; In earlier times it used to be common for someone to try to kill an enemy by offering him a poisoned drink. To prove to a guest that a drink was safe, it became customary for a guest to pour a small amount of his drink into the glass of the host. Both men would drink it simultaneously. When a guest trusted his host, he would only touch or clink the host's glass with his own.

7... WHY? Why are people in the public eye said to be 'in the limelight'?

BECAUSE; Invented in 1825, limelight was used in lighthouses and theatres by burning a cylinder of lime which produced a brilliant light. In the theatre, a performer 'in the limelight' was the Centre of attention.

8 ... WHY? Why is someone who is feeling great 'on cloud nine'?

BECAUSE; Types of clouds are numbered according to the altitudes they attain, with nine being the highest cloud. If someone is said to be on cloud nine, that person is floating well above worldly cares.

9 ... WHY? In golf, where did the term 'Caddie' come from?

BECAUSE; When Mary Queen of Scots went to France as a young girl, Louis, King of France, learned that she loved the Scots game 'golf.' He had the first course outside of Scotland built for her enjoyment. To make sure she was properly chaperoned (and guarded) while she played, Louis hired cadets from a military school to accompany her. Mary liked this a lot and when she returned to Scotland (not a very good idea in the long run), she took the practice with her. In French, the word cadet is pronounced 'ca-day' and the Scots changed it into caddie.

Stay Off Your Bike

My wife Linda discovered that our dog (a Schnauzer) could hardly hear, so she took it to the veterinarian.

The vet found that the problem was hair in the dog's ears.

He cleaned both ears and the dog could then hear fine.

The vet then proceeded to tell Linda that, if she wanted to keep this from recurring, she should go to the pharmacy and get some 'Nair' Hair Remover and rub it in the dog's ears once a month.

Linda went to the store and picked up the hair remover. At the register, the overly helpful pharmacist told her, "If you're going to use this under your arms, don't use deodorant for a few days."

Linda said, "I'm not using it under my arms."

The pharmacist said, "If you're using it on your legs, don't use body lotion for a couple of days."

Linda replied, "I'm not using it on my legs either. If you must know, I'm using it on my Schnauzer."

The pharmacist said, "Well, then.....stay off your bicycle for at least a week."

Property Report

June 2017

The upper North Shore property market experienced a buoyant first quarter of 2017 with the number of properties sold increasing by 18.5% against the same quarter last year, although lower than the very strong last quarter of 2016.

Despite predictions that price growth would not be sustained record prices continue to be achieved, with the average sale price increasing 11.2% over the same quarter last year and 7.4% from the prior quarter. Demand is still outstripping supply and combined with low interest rates and

attractive capital growth for investors, is ensuring a competitive environment.

Auction remains a very popular sales strategy and clearance rates for the area remain at high levels, being consistently above 80%.

Savills Cordeau Marshall continues to be the leading upper North Shore agency and for the first quarter of 2017 we sold 31% more properties than first quarter 2016.
