

Hi everyone,

This is an update on happenings around the Club.

- The **Glitz & Glamour Night** is on **Friday 15 February commencing at 7:00pm. Cost is \$15 per person which includes Chicken & Champagne supper and live 5 piece band-Back Dated Band.** This night represents exceptional value and one of the best bands going around!!! Please make a special effort to organise some friends and book a table for the night. A booking list is on the notice board but we need more names than we have at the moment to make this night a success.
- **Bowling with Babies commences another term from Thursday 6 February at 11:00am.** Not sure how many are coming at this stage but Pauline maybe able to use a bit of help wrangling the tearaway toddlers!!
- Construction has commenced on the new green and we expect it to be in play by the end of February. There will be a small amount of inconvenience around the construction area but we expect this to be minimal.

Regards

Peter Groom
