

# GIANT ARCHERY SWAP MEET

Got some of those left-handed cross bow bolts? Perhaps a right-handed finger tab and you suddenly realised you're a south paw?

After you have been in archery for a while you tend to collect various bibs and bobs which are too good to throw out but no longer meet your style of archery.

**SO DIG THEM OUT, DUST THEM OFF  
AND BRING THEM ALONG!**

On 14 July Great Southern Archers will be holding an Archery Swap Meet after their regular 24 WA field event. So why not make a day of it? Shoot the field course<sup>(1)</sup>, grab a snack at the sausage sizzle then check out the bargains at the swap meet.

Or just come along to the swap meet starting at 2 PM.

Entry to the swap meet is free but vendors should register by emailing the form from the GSA website to [webmanager@greatsouthernarchers.com.au](mailto:webmanager@greatsouthernarchers.com.au) by 4 July. If you include a list of the items you plan on bringing along then GSA will publish a consolidated list on their web site a week before hand so people will know what is available. Vendors will be able to register on the day but spaces are limited and preference will be given to those who have pre-registered.

<sup>(1)</sup> Spaces on the field shoot are limited so please register on Archers Diary well in advance so GSA can plan accordingly.
