

Henselite XG

Size: **2** Heavy

Dated: 20

The Dreamline XG is a superb all-round bowl. The key to its success is its density which creates maximum stability without compromising its comfort in the hand. This enhanced stability and its predictable line make it so versatile, it's at home on all surfaces from North to South and East to West, even in the windiest of conditions.

Excellent condition

\$370.00 (Firm)
