Outlined Expenses

I have outlined below all of my expenses until the end of Feb 2014, so you can see what your support will go towards. I'm well-supported by the OWIA for training camps & competing but I do still have food and airfares to cover while on tour. My life outside of training/competition camps is also not paid for and it is often a struggle to work and earn at the same time as train as an elite sports person. This is why I am asking for your support one last time ☺

Parking

There is parking at Kirribilli Club at a cost of \$12 for the night. I have found parking on the street close by for other events I have been too at the club.
