

SELECTION POLICY FOR JUNIORS

Adopted 6th August 2012

Selection of Under 18 boys/ girls will be dependant on ability and potential shown at both pennant level and training.

This includes demeanour, behaviour and bowls etiquette shown to both your own team members and the opposition.

Selection in the northern boys/ girls side will be done by the coach and manager.

Players from all clubs will be invited to participate in the selection process.

Once a squad is selected the remainder shall have special skill sessions to strengthen their ability for the future.

Bowls North's aim is to make our juniors number one in ability, etiquette, presence and demeanour in Tasmanian bowls.

DISCIPLINE

Disciplinary measures will be enforced before a panel and action taken should a player misbehave, be discourteous or bring the sport of bowls into disrepute while representing Bowls North at triangular, state and organised junior events.
