## **21. Regulation Game**

- 21.1 The regulation game for the Tournament consists of seven (7) innings or 2 ½ hours, whichever is completed first. This is applicable to all Pool games.
- 21.2 It shall be a regulation competition game if the Umpire certifies that play has proceeded for at least half (½) the regulation time or four (4) completed innings.
- 21.3 In the event of a game not being declared a regulation game for any reason (other than a forfeit), the game will be declared a "no game" and no game win/loss results will be recorded towards either team's point's percentage.
- 21.4 Game ends when:-
- 21.4.1 The Home Team has scored more runs in 6 innings than the Visiting Team has scored in 7 innings (for a 7 innings game).

- 21.4.2 The Home team scores the winning run in the 7th innings before the inning is completed. If a batter in the last half of the final inning of a game hits a home run over the home run fence or into the stand, all runners on base at the time of the hit as well as the batter, shall be entitled to score, but to legally score all bases must be touched in order by all runners. The final score of such a game shall be the total number of runs scored by each team.
- 21.4.3 The score is tied at the end of the 7th innings played, the game is continued until one team has scored more runs than the other in an equal number of innings, provided that if the Home team scores the winning run before the third man is out in any inning after the 7th the game shall terminate and be a regulation game. This is subject to 21.4.6.4 below.
- 21.4.4 The game is Terminated by the Umpire on account of weather, darkness or any other cause which makes further play impossible, provided 4 or more innings have been played, or the home team scores more runs in 3 innings, or before the completion of its 4th inning, than the Visiting team has scored 4 completed innings.
- 21.4.5 If the umpire terminates play after 4 completed innings, the score of such games shall be the score, at the end of the last completed inning. If, however, the Home team has scored more total runs than the Visiting team and the game is terminated while the home team is at bat, the score of such game shall be the total runs scored by each team. Also when a game is terminated after 4 completed innings with the Visiting team at bat and the Home team ahead, the score shall be the total number of runs scored by each team at the time the game is terminated.
- 21.4.6 Ten Minute Rule:
- 21.4.6.1 No new innings shall commence within 10 minutes of the scheduled completion time.
- 21.4.6.2 If, at the completion of even innings, there remains ten or more minutes of time before the scheduled completion time, a further complete inning shall be played.
- 21.4.6.3 If, at ten minutes before the scheduled time of completion, the home team is at bat and they are:
- 21.4.6.3.1 Ahead - the game ceases immediately.
- 21.4.6.3.2 Tied or behind - the game continues until the winning run is scored or the side is retired.
- 21.4.6.4 If the score is tied after 7 innings and this occurs prior to the 10 minute rule, then the 8<sup>th</sup> and subsequent innings should be played to a result providing the inning is started before 2 hrs 20 min. has elapsed.

## **22. Regulation Tied Game**

- 22.1 It is a regulation tied game when the umpire terminates play on account of weather, darkness or any other cause which makes further play impossible and:
- 22.1.1 If at the end of 5 or more completed innings the score is tied.
- 22.1.2 If the Home team shall score in its uncompleted 5th innings or any incomplete innings thereafter enough runs to equal the Visiting team's score.

## **23. Extra Inning Rule (for all Playoff Games)**

This rule is to be used only in the Playoff Games (Semi Final, Consolation Games, Position Games and Grand Final) in the tournament. If the game remains tied after the completion of seven (7) innings OR at two and half hours (2 ½) game time the following procedures will be implemented during extra innings:

- 23.1 Each team will begin the 8th inning (if 7 innings are completed) or the next inning after 2 ½ hours has lapsed (and any subsequent necessary extra innings) with a player on first and second, no outs.
- 23.2 To begin the 8th inning (if 7 innings are completed) or the next inning after 2 ½ hours has lapsed. Representatives from each team will meet at home plate and will indicate (at the same time) to the home plate umpire where the team wishes to begin the batting order. That is, the teams have the option of beginning the extra inning anywhere in the existing batting order that was in effect when the last inning ended. Note that this is not a new lineup (just potentially a different order), and it may very well be the same lineup that ended the game. The rationale for doing so is to ensure that both teams have an equal chance at having what they consider to be their best hitters and base runners in a position to score in the extra inning.
- 23.3 For example, if the team decides to have the #1 hitter in the lineup hit first, then the #8 hitter will be placed at 2B and the #9 hitter will be placed at 1B. Furthermore, if the team decides to have the #3 hitter in the lineup hit first, then the #1 hitter would be at 2B and the #2 hitter would be at 1B
- 23.4 Once those players/runners are determined for the extra inning, the order of any subsequent innings will be determined by how the previous inning ended. That is, if the 9th inning ends with the #6 hitter having the last official at bat, then the 10th inning begins the #7 hitter at bat, and the #5 hitter at 2B and the #6 hitter at first base.
- 23.5 With the exception of beginning the inning with runners on 1B and 2B with no one out, all other Official Rules of Baseball" and the ABF rules will remain in effect during extra innings required to determine a winner.
- 23.6 No player re-entry is permitted during extra innings.
- 23.7 The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

## **24. One Sided Games**

- 24.1 After 3 innings – 20 runs
- 24.2 After 4 innings – 15 runs
- 24.3 After 5 innings – 10 runs

## **25. Suspended / Rescheduled Game**

- 25.1 The TD where possible may reschedule any abandoned or suspended game. If rescheduled, suspended games will be re-commenced at the point where the games were halted.
- 25.2 If game(s) are rain delayed or rained out, they may be rescheduled on an alternate ground. This decision remains with the TD.

## **26. Abandoned Games**

- 26.1 If the TD cannot re-schedule a suspended game, then that game will be considered as abandoned, and competing teams will be awarded points as detailed in Rule 28.
- 26.2 Note: If a game is abandoned, pitch statistics and pitching rules will apply.

## **27. Order of Benches and Batting**

- 27.1 The First Named team in the official schedule of games will be regarded as the Home Team, field first and occupy the Third Base dug-out or bench.
- 27.2 Warm up before Games:
- 27.2.1.1 Twenty (20) minutes before the scheduled starting time of a game, the Home Team will commence their entitled seven (7) minutes warm up on the playing diamond.
  - 27.2.1.2 Thirteen (13) minutes before the schedule starting time of the game the Away Team will commence their entitled seven minute warm up.
  - 27.2.1.3 The remaining five (5) minutes will allow for the pre-game plate meeting.
  - 27.2.1.4 The supervision of the warm up before the game will be the responsibility of the TD or a designated official.
  - 27.2.1.5 If facilities at or near the playing venue are to be made available for pre-game batting practice then a standard schedule of batting practice and training will be drawn up by the TD and distributed at the Officials Meeting prior to the commencement of the series.

## **28. Pointscore**

- 28.1 The Points allocated to Teams during the Pool games will be as follows:
- 28.1.1 TWO points for a win.
  - 28.1.2 ONE point for each team in Tied game.
  - 28.1.3 NO points for either team in an abandoned game.

## **29. Ranking of Teams**

### **29.1 Pool Games**

- 29.1.1 After the completion of the Pool games, the teams will be ranked by the points they have scored in the round robin games, the highest ranking being accorded to the team which scores the greatest number of points (and so on)
- 29.1.2 Where two or more teams score the same number of points, the Head to Head method will be used to separate them.
- 29.1.3 If this fails to separate the teams, the following method will be used:
  - 29.1.3.1 The fewest runs allowed in the game(s) contested by those teams (which are tied) will gain the highest ranking.
  - 29.1.3.2 The remaining teams will revert to the "Head to Head". If remaining teams are tied then the tiebreaker reverts to the fewest runs

allowed in the games contested by those teams (which are tied) method and then back to “Head to Head”, and so forth.

29.1.3.3 If teams are still tied, go to the runs allowed by each of the tied teams against the highest ranked team in the pool, then the next highest team and so on. The team with the least runs allowed will be the higher ranking team then the remaining teams will revert to the “Head to Head”. If remaining teams are still tied then the tiebreaker reverts to the fewest runs allowed in the games contested by those teams method and then back to “Head to Head” and so forth.

29.1.3.4 If the teams are still tied, go to the runs allowed by the team against all opponents in there Pool.

29.1.3.5 The ranking of the final two team in the above situation will be determined by the head to head process.

### **30. Time Saving Rules**

#### 30.1 Policy and Intent

30.1.1 The intent of these rules is to encourage umpires, coaches and players to limit time-wasting and to ensure tournament games progress quickly and smoothly.

30.1.2 The Umpires are responsible for enforcement

#### 30.2 Pre-game Practice

30.2.1 In no event should pre-game practice interfere with or delay the scheduled start of the game (with the exception of wet weather implications). The teams should comply with the Rules set forth herein regarding such matters.

#### 30.3 12 Second Pitch Rule

30.3.1 The 12 second rule for the pitcher shall apply whenever there are no runners on base. Official Australian Baseball Rule 8.04

30.3.2 If the pitch is thrown before the violation is called, the pitch shall be deemed a ball, regardless of its location.

#### 30.4 Hitter to Remain in Batter's Box

30.4.1 The hitter shall be required to remain in the batter's box unless they make a request for "time" and the umpire feels that the request is reasonable. Only then shall the umpire grant time out.

30.4.2 If no runners are on base, the batter should not be granted time and permitted to leave the batter’s box unless, in the opinion of the umpire, unusual circumstances exist which make the request a reasonable one.

#### 30.5 Limits on Warm-up Pitches

30.5.1 Unless a pitcher is entering a game to replace a pitcher who has been injured or ejected, they shall be permitted a maximum of eight (8) warm-up pitches. This same limit shall apply to pitchers warming up prior to the start of an inning.

#### 30.6 Limits on Offensive Meetings

30.6.1 Teams are allowed a maximum of three (3) "offensive meetings" per game. An offensive meeting shall be charged any time a coach delays the game for any length of time to talk with an offensive player, whether it be the hitter, a base-runner or an on-deck batter going to the plate, or to another coach. If the game goes into extra innings, one (1) additional "offensive meeting" shall be permitted for each three (3) extra innings.

30.7 Visits to the Mound

30.7.1 Three (3) free visits will be allowed to the mound in a game. The fourth, and any subsequent visit in a game will cause the removal of the pitcher. The second, and any subsequent visit in any one inning, will cause the removal of the pitcher.

30.7.2 Any visit may be no longer than 30 seconds to the mound (at the umpire's discretion). Time starts when the Coach / Manager crosses the foul line.

30.7.3 Should a game proceed into extra innings, then one (1) extra visit will be allowed for every three (3) innings or part thereof.

30.7.4 Pitching changes after the first visit during an inning may be made by going directly to the plate umpire.

30.7.5 All substitutions must be made via the Plate Umpire. After receiving the substitution/s the umpire will signal the scorers to indicate the substitutions. It is recommended that there be somebody situated adjacent to the scorers to alert them when changes are being made.

### 31. Pitchers

31.1 To apply to under age players.

31.2 A pitcher's game will be classified as:

Assignment	Under 16	Under 18
MINOR	less than 30 pitches	less than 40 pitches
SUBSTANTIAL	30 to 64 pitches	40 to 79 pitches
MAJOR	65 pitches and not to exceed 80 pitches	80 pitches and not to exceed 100 pitches

31.2.1 It will be the responsibility of the official scorer to notify the Chief Umpire and each team when a pitcher is within 10 pitches of the maximum allowable number.

31.2.2 A pitcher reaching their maximum number of pitches for a major assignment is to be removed from the game once they have completed the batter, has thrown a further five pitches or has been moved to Designated Hitter. However, if the pitcher retires that batter as the 3rd out of an inning, then that pitcher shall be entitled to take their place as a batter in the next half inning.

31.2.3 A Balk Pitch delivered to the plate whether it be hit safely or not shall be considered to be valid for the purpose of recording the "number of pitches".

31.2.4 A "no pitch", eg, batter steps out of the batter's box and the pitcher delivers the pitch, shall not be included in the pitch count.

- 31.2.5 Should a pitcher be selected out of their age group then tournament limits and game contribution will be applicable to the pitcher's age, not the championship that they are playing in.
- 31.2.6 The winning pitcher be awarded to the pitcher who completes four (4) innings and complies with the requirements of the existing rule.
- 31.3 Any player pitching a major assignment will be required to complete one day's rest before any playing participation except as a designated hitter or for pinch hitting and pinch running and three days rest before commencing any further (pitching / catching) assignments.
- 31.4 For a substantial part played, 2 days rest from pitching / catching is required.
- 31.4.1 Once a pitcher has reached a "substantial part of her assignment" they are no longer eligible to play any other fielding position and must be removed from the game once their pitching assignment has been completed. If a player pitches a substantial in the first game of a double header, then they can only participate in the second game of a double header as a designated hitter, pinch hitter or runner.
- 31.5 Any player pitching a minor followed by a substantial the next day will be required to complete one day rest before any playing participation except for pinch hitting, pinch running or acting as a designated hitter and three days rest before commencing any further pitching / catching assignments. Note: No pitcher may throw a major assignment directly following a minor assignment.
- 31.5.1 No day's rest is required after a minor part played. However, for two successive minor assignments, 2 days' rest is required from pitching/catching if the total number of pitches thrown in those two assignments equals or exceeds the amounts below. 1 day's rest is required if the total number of pitches is less than these amounts.
- 31.5.1.1 30 pitches for Under 16
- 31.5.1.2 40 pitches for Under 18
- 31.5.2 If a player completes a second minor assignment on the same day, they shall leave the game and not have any further participation on that day.
- 31.5.3 For teams participating in 'double headers' a pitcher may only throw two minor assignments on the same calendar day.
- 31.5.4 If any pitcher delivers one pitch in an inning, they shall be charged for one (1) assignment.
- 31.5.5 The word assignment means that each game in which a player pitches is considered one assignment.
- 31.5.6 A player once removed as a pitcher may not pitch again in the same game.
- 31.5.7 The scorers shall indicate in the score-book for each pitcher the game contribution and when the pitcher may next play.
- 31.5.8 The Chief Umpire will be supplied, 30 minutes prior to the start of the game, a list of players who are ineligible to pitch. The TD will be responsible for the delivery of this information to the Chief Umpire and the two Managers/Head Coaches as soon as possible prior to the game.
- 31.5.9 The Umpire has the authority to police the pitching rule. Scorers must be aware of and notify the umpire if an ineligible pitcher enters the game.

31.5.10 No under-age pitcher can relieve directly from the field and must come from either the dug-out or bull pen. If the proposed relief pitcher is in the game they can only relieve at the start of an inning.

31.5.11 If an Under Age pitcher is being moved from the mound to a defensive position the defensive manager must advise the plate umpire and opposing manager of the move. The umpire must check with the official scorer to ascertain if the move is legal under Rule 32. If there is a breach then the move cannot be made. If either team's manager realises that the move is in breach of the rule then they must immediately advise the plate umpire. If Rule 32 is breached a penalty may be applied by the TD. In deciding such penalty, the TD should take into consideration any influence on the game that the illegal substitution had on the result of the game and the number of plays that the player was involved in. Such penalties could be the suspension of the manager for a number of games deemed appropriate. Forfeiture of the game is not an option as a penalty.

## **32. Pitcher / Catcher Rule**

32.1 An under age player may not pitch and catch in the same day.

32.2 PENALTY: Immediate ejection from the game for first and subsequent offences. The offending team shall forfeit the game and the Manager/Head Coach shall be reported to the TD and dealt with by the TMC.

## **33. Designated Hitter**

33.1 A designated hitter may be used.

## **34. Line-up Cards**

34.1 All players eligible to play in a game must be listed on the line up card handed to the Plate Umpire at the home plate meeting. However in the event of an oversight in which an eligible player is omitted from the original line up card will not prevent that player from entering the game.

## **35. Individual Trophies**

35.1 Individual trophies may be presented at the discretion of the TMC.

## **36. Reported Players/officials**

36.1 Should any player, non-playing coach or manager be ordered from the game by an umpire for any misdemeanour, the person concerned will appear before the TMC prior to such person's next game in the Tournament. Any tribunal hearing must be finalised prior to the next game in which the involved parties are engaged.

36.2 The Tribunal (TMC) is authorised to impose whatever penalty is deemed necessary.

36.2.1 NSWBL Prescribed Penalties will apply.

## **37. Tribunal Procedures**

37.1 Once the TD has been advised (or becomes aware) of any matter that is required to be determined by the Tournament Tribunal, they are to set the tribunal hearing date/time and venue. The TD shall then personally make contact by telephone or in person with tribunal members (and minute secretary) and the relevant parties (player /coach to be advised via the Manager) to advise the particulars of the Tribunal meeting.

- 37.2 The TD shall clearly indicate to all parties the reason for the tribunal hearing (eg. player ejection, purported breach of ABF playing rules).
- 37.3 The tribunal shall be held in closed session whilst being cognisant of the principles of natural justice and will determine any matters in accord with the following procedural steps:
- 37.3.1 The TD shall assume the role of Tribunal Chairperson and will preside over the Tribunal proceedings which shall be minuted by a minute secretary.
- 37.3.2 The umpire, where there has been an ejection, shall present their version of the facts to the tribunal in the presence of the Manager and the ejected person. The Manager shall be entitled to ask questions in a reasonable manner to clarify matters in dispute after the umpire has presented his evidence.
- 37.3.3 The umpire shall be given the opportunity if they desire to present other evidence (scorebook, other umpire etc) for corroborative purposes. The other evidence shall be made available during the tribunal sitting to the Manager for examination/questioning.
- 37.3.4 Note: Where the breaking of a rule does not involve the decision of the umpire as to penalty, determination of the penalty is made by the Tribunal and the facts in such cases shall be presented by the TD in a similar manner to the umpire presenting evidence on another matter (eg. an ejection).
- 37.3.5 The Tribunal Chairperson and/or any Tribunal Member shall be entitled at any time during the hearing to ask questions of the parties to clarify any evidence which would enable the determination of the matter before the tribunal.
- 37.3.6 Upon the completion of the presentation of the Umpires' and their witnesses' evidence, they shall be asked to leave the room and not the general area in case they are needed for any points of clarification. The Manager, (or in the case of a breach regarding an adult, the alleged perpetrator) is then invited to put forward the case for the alleged offender/or his/her team.
- 37.3.7 The player/coach when presenting their version of the incident shall be given a reasonable time to explain his position. The Manager may ask questions of their team member to assist in presenting their version of the facts and to clarify any points.
- 37.3.8 The Tribunal Members only shall be entitled to cross examine the player/coach in regards to the facts presented.
- 37.3.9 The Manager may then present any written evidence (eg Scorebook) and/or call a reasonable number of other witnesses for corroboration with such witnesses being subject to any questions in cross examination that may be put by tribunal members.
- 37.3.10 The Manager is then invited by the Tribunal to add any comment in summary relating to the facts presented at the conclusion of which the Manager and witnesses shall be requested to leave the confines of the room whilst the members of the tribunal consider the facts.
- 37.3.11 Once the members have arrived at their decision the minute secretary shall re-call the Manager (and player/coach) to be presented the Tribunal's decision by the Chairperson.
- 37.3.12 The Tribunal Chairperson where there is a requirement to apply a discretion in application of penalty shall give the manager the opportunity to speak in

mitigation of such penalty. The Manager (and player/coach) shall after presentation of the plea in mitigation shall be asked to once again leave the room whilst the discretionary penalty is determined.

37.3.13 The Manager (and player/coach) shall be recalled and the Tribunal Chairperson shall announce penalty and close the hearing.

37.3.14 At the conclusion of the tribunal hearing the minute secretary shall prepare the minutes of the proceedings which shall be signed by the Chairperson as a true and correct record. The Manager shall be advised in writing (notice prepared by minute secretary) of the penalty as announced by the Tribunal Chairperson and such notice shall be signed by the Chairperson.

37.3.15 The relevant matters in regards the decision of the tribunal are then applied.

37.3.16 The minutes of the tribunal hearing are required to be submitted to the Baseball NSW following the tournament for validation of penalty where discretionary fines to a maximum figure are applicable.

37.3.17 Note: Whilst there are a number of steps depicted above the Tribunal proceedings must be carried out in an informal but fair manner.
