3rd AsiaPacificOutgames

10 – 16 May 2014 | Darwin | Northern Territory | Australia

About Northern Territory

Edged with palm trees and a shimmering blue Ocean, Darwin, the capital of the Northern Territory, is an ideal holiday and event destination. As the 2014 host city for the 3rd Asia Pacific Outgames, Darwin is a modern and tropical capital city set on a harbour twice the size of Sydney's. Darwin is a young and vibrant city, which offers year round alfresco living courtesy of its tropical climate. Recently confirmed by Lonely Planet as a Top 10 World City, Darwin offers a "pumping nocturnal scene, magical markets and restaurants, and world-class wilderness areas just down the road".

The Northern Territory, as an inclusive society, values and embraces cultural diversity and promotes gender equity as a right for all Territorians. People from more than 100 nationalities call the Northern Territory home and our broad cultural diversity is something to be proud of.

Sightseeing around Darwin

Darwin offers a wide range of short and extended guided tours. Local Darwin activities include the Mindil Beach Sunset markets, nature-based and cultural tours and visiting local Aboriginal art galleries and museums. The new Darwin Waterfront precinct is a great place to grab a bite to eat, have a swim or just purely relax in the lush green lawns.

There's even more fun to be had out on the water with fishing charters and sunset cruises. Within a short distance you can travel to the plunging waterfalls of Litchfield National Park or see the wild crocodiles on the Adelaide River aboard a Jumping Crocodile cruise.

Post Event Experiences

Why not extend your stay in the Northern Territory by travelling to Alice Springs, the home of Priscilla Queen of the Desert. A visit to Alice Springs offers a delicious contrast to the usual holiday experience, surround by gorges and stark desert plains; you will experience culture at its very best along with the opportunity to visit the iconic Uluru.

There is also an opportunity to travel beyond Australia to nearby Asian ports of Bali or Singapore for an extended holiday or a stop off on your way home. The possibilities are endless.

Sporting Events include:

Athletics (Track and Field + Outrun) | Badminton | Basketball | Dance Sport | Dragon Boat | Aquathon (swim and run) | Football (Soccer) | Golf | Hockey | Lawn Bowls | Roller Derby | Softball | Squash | Swimming | Tennis | Tenpin Bowling | Touch Football | Volleyball
