

REDLANDS BAYSIDE

Redlands Bayside Masters have had a relatively quiet month due to the 50 metre pool being closed for repairs and of course the winter weather having a large number of their swimmers staying nice and warm under cover in their beds.

A number of hardy swimmers still came down to the Cleveland Aquatic Centre to swim in the 25 metre pool. The club has welcomed a new coach in Ebony Maher. Ebony is a welcome sight at the pool as coaching staff numbers have dropped significantly.

Ebony is bringing a lot of enthusiasm to the coaching role and she is very popular with the club members. A few members ventured up to the Chandler pool and mixed with the swimmers from the Southside club. They hope to see other clubs mix more often to learn from each other and to form new friendships. QRB is very appreciative of the warm welcome from the Southside Club president Laurie Baker and their club swimmers.

Redlands Bayside has also just held the AGM with a number of committee members having had to step down.

Redlands Bayside members at the AGM

Thank you to Adrian Haigh, Susan Lee and Rachel Archer for all their hard work this past year. The club welcomed Janet Dodd, Karen Knight and Rod MacKenzie aboard.

Shane Knight will be serving his 3rd year as club president. A number of members were also awarded with trophies for their swimming and commitment to their club.

Congratulations to Kelli Haigh, Sharon Devitt, Rod Mackenzie, Tina Hanley, Nathan Mead and Coach Ann Gartshore on receiving their club awards.

The World Wide Postal is currently in its second month and they encourage all Redlands Bayside and other club members to enter this unique event.

Members can find details on the QRB brand new fabulous web site:

<http://qrbmasters.org.au/>

Now that the 50 metre pool is open and the weather is warming up they hope to see more of the club members down at the pool.

Susan Lee with Shane Knight (President)

Shane with his 'Awesome Club President Award.'

Shane Knight
(President)
