

AA CADET and JUNIOR Tournament Records on 31 December 2009

JANUARY 2004: All AA age groups change on 1 January before their birthday rather than the actual day which added a possible 11+ months onto the time an archer could spend in the various youth classes, but brought AA Cadet and Junior age groups into line with the FITA Rules.

JANUARY 2010: FITA increased the ages of Cadets by one year and Juniors by 2 years. Archers are now Cadets until December 31st of year of their 17th birthday and Juniors until December 31st of year of their 20th birthday.

REASON FOR THIS LIST: AA chose not to archive existing records so they are able to be broken by archers several years older. The AA Tournament and Records Committee feels that a list of records as they stood before the older youths were allowed to claim them should be retained. The same will be done for Cub and Intermediate records when a year is added to those age groups in 2011.
