

# AA CUB and INTERMEDIATE Tournament Records on 31 December 2010

**JANUARY 2004:** All AA youth age groups change on 1 January of the year after their birthday (e.g. previously U12 changed on their birthday but now in that class until December 31 of that year) which added a possible 11+ months onto the time an archer could spend in the various youth classes, and brought AA Cadet and Junior age groups into line with the FITA Rules.

**JANUARY 2011:** AA increased the ages of Cubs and intermediates by one year. Archers are now Cubs until December 31st of year of their 13th birthday and Intermediates until December 31st of year of their 15th birthday.

**REASON FOR THIS LIST:** AA chose not to archive existing records with any age changes so they are able to be broken by archers a year older than recently, and up to 2 years older for records set prior to 2004. The AA Tournament and Records Committee feels that a list of records as they stood before the older youths were allowed to claim them should be retained.
