

WELCOME TO THE NEW ZEALAND POLICE SKI CLUB INFORMATION SITE

Established in 1986, the NZ Police Ski Club Inc was formed when a group of enthusiastic Police members came together with a common goal of snow, sun and fun.

In 1992 the Club purchased an existing property situated at 35 Queen Street, Raetihi that has over 40 beds in 12 rooms. It has a spacious living area, cooking facilities, a drying room and on-site custodians.

Raetihi is just 11 kilometres from Ohakune, the North Island's bustling ski town at the south-western base of the mighty Mt Ruapehu, New Zealand's largest and active volcano. On this side of the mountain can be found the Turoa ski field. Turoa ski field boasts 500 hectares of in boundary terrain.

The Whakapapa ski field is on the north-west side of the mountain and is about 56 kilometres from Raetihi to the top car park at the Iwikau Village. Whakapapa has 550 hectares of in boundary terrain.

You don't need to be a member of the Police to join as a Ski Club member or to stay at the Club!

More Stuff!!

The Club hosts the New Zealand Police Association Ski Champs at Mt Ruapehu and in South Island ski fields on behalf of the Police Council of Sport and the Police Association. Snow boarders are welcome. The event is usually held in August or September although those interested should watch out for messages through the usual Police channels closer to winter. The event caters for all abilities.

JD or Scott can be contacted for questions about the Police Association Ski Champs. Please note however that they are not contacts for the Ski Club and accommodation:
