Assessment Points Table

Notes:

1. Undertaking other Instruction/Coaching activities outside of normal archery club/RGB activities may be recognised. Requests for recognition of other activities must be made to the Archery Australia Coaching Committee through the Archery Australia Office.
2. Additional non archery specific courses can be undertaken, i.e. first aid certificate, massage certificate, which will enhance the overall abilities of the candidate.

Review

If an instructor/coach cannot meet the points requirements above due to short term problems like being unable to coach due to work commitments, ill health or dropping out of the sport for a period, the Coach should develop with the Archery Australia Coaching Committee a mutually agreeable plan of coaching activities for the instructor/coach to undertake prior to re-registration.

These activities should include coaching and education activities.

Recognition of Prior Learning

Candidates presenting themselves for accreditation as coaches will be allowed to have their prior knowledge taken into account. This is particularly so in the case of overseas coaches and coaches who have let their accreditation lapse. For more information please contact the Archery Australia Coaching Committee.
